

Laptop Purchase Guide (₹60K Budget)

Best Pick — Balanced Performance

MSI Thin A15 Gaming Laptop

A strong all-around machine for projects + gaming + smooth everyday use.

Ryzen 5 7535HS + RTX 3050 — great for compiling, VM use, AAA gaming, and multitasking.

■ Often available around ₹57,000–₹60,000 range.

Where to buy:

- 1 Amazon India – MSI Thin A15 (₹57,990–₹58,990)
- 2 Flipkart – MSI Thin A15 (₹53,988–₹58,900)

■ Great for Sustained Performance

Asus TUF Gaming A15

Strong performer with Ryzen 5 7535HS + RTX 3050 — especially good if most heavy work and gaming is plugged in.

Note: Battery life is slightly lower than the MSI option at this price band.

User reviews vary, so check seller ratings and warranty.

Where to buy:

- 1 Reliance Digital – ASUS TUF A15 (₹46,091 possible older stock)
- 2 Flipkart – ASUS TUF A15 (~₹55,090 typical deals)

■ Other MSI Options (same series, multiple sellers)

MSI Thin A15 Laptop

Another listing of the MSI Thin A15 with good ratings (~4.7/5).

Offers a similar experience for gaming + heavy tasks.

■ These MSI listings often appear at the lowest price points among gaming laptops near ₹60K.

■ Important Buying Tips (so you get the RIGHT SKU)

- 1 Look for Ryzen 5 7535HS + RTX 3050 + 16GB RAM + 512GB SSD
- 2 Battery should be 48–57Wh in this price range
- 3 Charger should be 180W or higher
- 4 Prefer verified sellers with warranty
- 5 Use bank offers for extra discounts

■ Live Price Notes

- 1 MSI Thin A15: ■53,988–■58,900 on Flipkart deals
- 2 MSI on Amazon: ■53,990–■56,490 with bank offers
- 3 ASUS TUF A15: Around ■55,090 on Flipkart during sales
